January 2024

Annual review of GSI policies and compliance.

On January 11, 2024 Deborah Azar and Mark Gershburg conducted annual review of the existing GSI policies :

Business partners
Human rights
Community relations
Bribery and facilitation payments
Know Your Counterparty (KYC): Money laundering and finance of terrorism
Security of people and products
General employment terms
Working hours
Remuneration
Harassment, discipline, grievance procedures and non-retaliation
Child and Forced Labor
Freedom of association and collective bargaining
Non-discrimination
Health and Safety Performance
Environmental Management
Hazardous Substances

The above policies were reviewed and necessary updates were made for the calendar year as it relates GSI laboratories globally.
